**Maximum power determined in accordance with UN-GTR.21. The maximum power is available at the highest possible battery state of charge and with an optimal operating temperature range of the high voltage battery.

¹This vehicle is a WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicle. More information is available at www.volkswagen.ie/wltp.

²Net to energy amount.

³The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test method for measuring fuel consumption (kWh/100km) and CO₂ emissions and are correct at the time of print. The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (kWh/100km) and achievable range. WLTP range values for standard vehicles may vary depending on equipment. In practice, the actual range varies depending on driving style, speed, use of convenience/auxiliary equipment, outside temperature, number of passengers/additional load, and topography. To discover exact values please configure your desired vehicle at volkswagen.ie/build. You can discover more about the WLTP at volkswagen.ie/wltp.

⁴State subsidies refer to VRT relief and SEAI Grant for Private Customers, Business/Commercial Buyer State subsidy comprises of VRT relief, all of which are subject to approval. SEAI Grant is not applicable on vehicles with a list price of over €60,000.

⁵All prices (Retail, Delivery and ROTR) are recommended by Volkswagen Ireland and are inclusive of VAT. €1,395 includes optional 'S Pack' ID. Service Plan which can be removed upon request. Maximum delivery charge with Service Plan removed is €1,095. 'S Pack' ID. Service Plan includes one service, with pollen filter and brake fluid replacement.

⁶Recommended 'On the Road' Retail price.

VRT Bands and rate of Annual Motor Tax are valid as of 1st January 2022 and calculated from the base model WLTP values for model year 2025 cars produced from CW44/2024 onwards. All vehicles with TBC are subject to EU type approval and with that were not available at time of going to print.

Volkswagen IE may change RRP's at any time (this includes where there are changes in government regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

In accordance with (EU) 2020/740 ("Tire Labeling Regulation"), please visit volkswagen.ie configurator for details relating to the tyres applicable to said vehicles.

Please note every effort has been made to ensure the contents of this publication (including RRP, CO₂, fuel consumption and technical information) were accurate and up-to-date at the time of going to print 3rd of October 2024. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.

3 Years Tyre Insurance covers tyres that are damaged by an Insured Event. Exclusions do apply. For more information on general terms and conditions, please click here (<https://www.volkswagen.ie/en/owners-and-users/wheels-and-tyres.html>)

The ID.5 from production wk 47/2023 supports ID software 4.0 and subsequent updates that follow.

Effective from 03 October 2024, for production from CW44/2024 onwards. All prices include VAT and VRT. Prices and specifications are subject to change without notice.

ID.5 PURE

52kWh Battery
369km Range

Exterior Equipment

- » 19" Steel Wheels
- » Standard wheel bolts
- » Tires 235/60 R19
- » LED headlamps with automatic headlight control
- » LED rear combination lamps
- » Exterior mirrors power-adjustable, folding and heated
- » Rear window wiper with intermittent control
- » Green heat-insulating glass windows on sides and in rear
- » Body-colored bumpers
- » Bi-colour Roof Concept

Interior Equipment

- » Inserts of front seats and outer rear seats in fabric "Matrix"
- » Driver seat with height adjustment
- » Armrest for front seats
- » Pedals in stainless steel, with play and pause symbols
- » Door and side trim panel in foam film insert in leatherette
- » Unsplit rear bench seat, asymmetric split folding backrest
- » Standard Dashboard
- » Auto-dimming interior rearview mirror
- » Safety-optimized front head restraints
- » 3 head restraints in rear
- » 10-color ambient lighting
- » Multi-function steering wheel with touch control
- » 6+1 speakers
- » Illuminated vanity mirrors in sun visors

Charging Equipment

- » Charging cable Mode 3 Type 2, 32 A
- » Maximum DC charging power
- » 8 year battery warranty or 160,000km,

Functional Equipment

- » 12.9" Infotainment Display
- » App-Connect Wireless for Apple CarPlay and Android Auto
- » Voice control
- » Digital radio reception DAB+
- » Diversity antenna for FM reception
- » Air conditioning system Climatronic with enhanced air filter with activated carbon and stationary air conditioning
- » 12-V outlet in luggage compartment
- » Driving Mode Selection
- » Car 2X Technology car-to-car wireless information transfer
- » Park Distance Control - warning signals for obstacles in the front and rear
- » 2 USB-C ports in the front, charging capacity up to 45 W
- » Adaptive cruise control
- » Predictive speed limiter
- » Instrument cluster with electronic speedometer, odometer and trip odometer, tachometer
- » Dynamic Road Sign Display
- » Electromechanical speed-sensitive power steering
- » Preparation. for We Connect (Plus) / VW Connect
- » Rain sensor
- » Keyless Start without SAFELOCK
- » Mobile phone interface
- » Electric auxiliary air heater

Safety

- » Driver and front passenger airbag with front passenger airbag deactivation
- » Curtain airbags in front and rear, side airbags in front, center airbag
- » Preparation for alcohol interlock
- » Follow-on warranty, contract duration: 1 year, subsequent to manufacturer warranty, max. total mileage: 90 000 km
- » Auto. Emergency Braking Front Assist with Pedestrian and Cyclist Monitoring
- » Tool kit and Tire Mobility Set: 12-volt compressor and tire sealant
- » UN ECE Compliant
- » Electronic immobilizer
- » Advanced driver attention & drowsiness monitor
- » Tire Pressure Monitoring System
- » 3-point seat belts in front with height adjustment and seat belt pretensioners
- » Warning signal and warning light for front and rear seat belts not fastened
- » Emergency call service
- » Single-tone horn
- » Lane keeping system Lane Assist
- » First aid kit, warning triangle and safety vest
- » ISOFIX anchors for child seats on outer rear bench seats and on front passenger seat, compatible for i-Size

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice.

ID.5 PURE PLUS

In addition to ID.5 PURE specification

52kWh Battery
365km Range

Metallic Paint

- » As Standard*

Interior Package

- » Inserts of front seats and outer rear seats in ArtVelours microfleece
- » 30-color ambient lighting
- » Multi-function steering wheel, heated, with touch control
- » Front seats with height adjustment
- » Asymmetric split folding rear seat backrest, with load-through hatch and center armrest, 2 beverage holders
- » Comfort dashboard

Infotainment Package

- » Navigation system "Discover Pro"
- » Mobile phone interface with inductive charging feature

Alloy Wheel Package

- » 19" 'HAMAR' alloy wheels - 8J x 19,
- » Wheel locks with extended theft protection

Comfort Package

- » Air Care Climatronic 2 zone automatic climate control with enhanced air filter and stationary air conditioning
- » 2 additional USB-C charging sockets on the center console in rear, charging capacity up to 45 W
- » Variable center console, with exchangeable inserts for beverage holder and storage compartments
- » Heated front seats
- » Laminated safety glass windshield, heated, infrared-reflecting windshield, sound-insulating
- » Automatically-heated washer nozzles in front

Assistance Package

- » Rear view camera system
- » Illuminated door handle recesses
- » Keyless locking and starting system Keyless Access with SAFELOCK
- » Anti-theft alarm system with interior monitoring, backup horn, and towing protection
- » Proactive passenger protection system in combination with Front Assist
- » Park Assist Plus with Park Distance Control

Additional Standard Items

- » Rear Tinted Windows
- » Floor Mats

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Scale Silver Metallic^{1,3} 1TA1

Blue Dusk Metallic^{1,2} 2PA1

King's Red Metallic¹ P8A1

Mythos Black Metallic¹ OE0E

Glacier White Metallic¹ 2YA1

Costa Azul Metallic^{1,2} 3KA1

¹Optional at extra cost · ²Not available on GTX models · ³Only available on GTX models

Please note, the print processes do not allow exact reproduction of the paint colours.

Upholstery

Fabric 'Matrix'
Soul/Platinum Grey
Standard from ID.5 PURE / PRO

Artvelours Microfleece/Leatherette
Soul/Platinum Grey
Standard from ID.5 PURE PLUS / PRO PLUS
Optional on ID.5 PURE / PRO
Electric controls are available via the addition of the Interior Plus Package

Artvelours Microfleece/Leatherette
Soul/Florence Brown
Standard from ID.5 PURE PLUS / PRO PLUS
Optional on ID.5 PURE / PRO
Electric controls are available via the addition of the Interior Plus Package

GTX Cloth/Leatherette
Soul/Flash Red
Standard on ID.5 GTX

GTX Art Velours/Leatherette
Soul/Flash Red
Standard on ID.5 GTX PLUS
Optional on ID.5 GTX

Note: Some parts of leather interior trim will contain artificial leather.
Note: The print processes do not allow exact reproduction of the upholstery & insert colours.

Interior

Standard from ID.5 PRO

Soul/Black/Platinum Grey

Standard from ID.5 PRO PLUS

Soul/Black/Platinum Grey

Standard selection from ID.5 PRO PLUS

Soul/Black/Florence Brown

Standard on ID.5 GTX / GTX PLUS

Soul/Black/Red

Note: Some parts of leather interior trim will contain artificial leather.
Note: The print processes do not allow exact reproduction of the upholstery & insert colours.

Alloy Wheels

STANDARD ON ID.5 PURE PLUS / PRO / PRO PLUS

Optional on ID.5 PURE

19" 'Hamar' alloy wheels

8J x 19 in front, 9J x 19 in rear

Tyres: 235/50 R19 in front

255/45 R19 in rear

STANDARD ON ID.5 GTX / GTX PLUS

20" 'Ystad' alloy wheels

8J x 20 in front, 9J x 20 in rear

Tyres: 235/50 R20 in front

255/45 R20 in rear

Optional on ID.5 PRO / PRO PLUS

20" 'Drammen' alloy wheels

8J x 20 in front, 9J x 20 in rear

Tyres: 235/50 R20 in front

255/45 R20 in rear

Optional on ID.5 PRO / PRO PLUS & ID.5 GTX

21" 'Narvik' alloy wheels

8.5J x 21 in front, 9J x 21 in rear

Tyres: 235/45 R21 in front

255/40 R21 in rear

Optional on ID.5 GTX

21" 'Narvik' in Black alloy wheels

8.5J x 21 in front, 9J x 21 in rear

Tyres: 235/45 R21 in front

255/40 R21 in rear

Charging time, AC, 7.4kW 0%-100%, hour ²	TBC	TBC	TBC
Charging time, DC 5%-80%, hour ²	TBC	TBC	TBC
Combined CO2 emissions, g/km	0	0	0

**Maximum power determined in accordance with UN-GTR.21. The maximum power is available at the highest possible battery state of charge and with an optimal operating temperature range of the high voltage battery.

¹VRT Bands and rate of Annual Motor Tax are valid as of 1st January 2022 and calculated from the base model WLTP values for model year 2025 cars produced from CW44/2024 onwards. All vehicles with TBC are subject to EU type approval and with that were not available at time of going to print.

²These are average charging times that can vary depending on certain conditions, such as temperature.

The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test method for measuring fuel consumption (kWh/100km) and CO₂ emissions and are correct at the time of print. The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (kWh/100km) and achievable range. WLTP range values for standard vehicles may vary depending on equipment. In practice, the actual range varies depending on driving style, speed, use of convenience/auxiliary equipment, outside temperature, number of passengers/additional load, and topography. To discover exact values please configure your desired vehicle at [volkswagen.ie/build](https://www.volkswagen.ie/build). You can discover more about the WLTP at [volkswagen.ie/wltp](https://www.volkswagen.ie/wltp).

To calculate your estimated driving range please click here <https://www.volkswagen.ie/en/electric-cars/e-mobility-tools.html>

In accordance with (EU) 2020/740 ("Tire Labeling Regulation"), please visit [volkswagen.ie](https://www.volkswagen.ie) configurator for details relating to the tyres applicable to said vehicles

Please note every effort has been made to ensure the contents of this publication (including RRP, CO₂, fuel consumption and technical information) were accurate and up-to-date at the time of going print 3rd October 2024
